Circles™ is an intentional way for people to build relationships across class and race lines to end poverty in their communities. Circles™ is a **high impact strategy** that will:

- ⇒ Change the mind-set of the community so it wants to end poverty
- ⇒ Change goals, policies and approaches to end poverty and,
- ⇒ Empower people in poverty to help solve community problems while transitioning out of poverty themselves.

Please contact Brandon (812-752-6365) of the Scott County Partnership for further information.
